

BEAUTIFUL

Music/Text by: Mckinley Black

I got a bottle of wine
and lots of time
to take a walk with you
and find a cozy place for two

VERSE:

D
D
G
D

We can lie down and talk
'bout all our thoughts
and what we think is true
I think I'm in love with you

That's not a lie
so many reasons why
I think you're beautiful

CHORUS:

A
G
D

And as we lie in the grass
we can laugh
about stupid things
we can laugh about anything

Or we could get serious
we could discuss
life's meaning
you mean a lot to me

That's not a lie
so many reasons why
I think you're beautiful

And when the Sun sets
we'll pick up the blanket and the stuff we own
and slowly make our way back home

We can make a plan
'cause we can do what we want to do
I want a life with you

That's not a lie
so many reasons why
I think you're beautiful
