

IT'S NEVER TOO LATE

Music/Text by: Mckinley Black

I know you don't need no one to rely on
you can take good care of yourself
you don't need me there to remind you
about the weakness in your heart

VERSE:

A
A Bm
Bm
E A

So when I told you that I loved you
you said "love's the last thing I need"
but you were just a mile from the highway
before you turned around and came back to me

You came back 'cause you thought you forgot something
but I know the real reason
you came back 'cause you remembered
it's never too late for love
It's never too late

Pre-CHORUS:

Bm E
A F#m
Bm E
A F#m
E

It's never too late for love's embrace
two hearts can beat as one
it's never too late for a moonlight dance
or to take the chance on love

CHORUS:

F#m Bm
E A
F#m Bm
E A

I know your history scarred you
and you don't trust anybody
you don't think anyone is honest
they'll just lie until they get what they need

So when I told you that I cared about you
you said "I don't need your charity"
but you were just a mile from the highway
before you turned around and came back to me

You came back 'cause you thought you forgot something
but I know the real reason
you came back 'cause you remembered
it's never too late for love

It's never too late for love's embrace
two hearts can beat as one
it's never too late for a moonlight dance
or to take the chance on love
